

**High ability and gifted students in Massachusetts need your help to reach their full potential!**

**Help us help them.  
Join us at an...**

## **Advocacy Information Session!**

Parents in the MAGE Advocacy Network are providing information sessions to explain the bills we have filed in the Massachusetts House of Representatives on behalf of our high ability/gifted students.

These bills are H.2050 An Act Providing students opportunities to reach their full potential, including educator training, and H.2051 An Act to document learning readiness, achievement and growth through adaptive testing.

When you come to one of these Advocacy sessions, you will:

- learn how to add your voice in support of this legislative action,
- meet others committed to the well-being of bright students,
- learn about House Bills 2050 and 2051, and how they could benefit our bright students' lives,
- receive printed materials to disseminate,
- get answers to your questions, and
- be able to add your signature to summary statements for the education committee.

**Saturday, October 21st**

**Noon - 2:00 pm**

**The Worcester Main  
Library, the Banks Room**

**3 Salem Street**

**FREE! BRING A FRIEND!**

**Sunday, October 22nd**

**10:00 am - Noon**

**The Innovation Institute**

**288 Walnut St. #300 Newton**

**(entrance on Newtonville Ave.)**

**FREE! BRING A FRIEND!**

**The MAGE Advocacy Network**

is a coalition of Parents, educators and health professionals committed to ensuring that all children experience academic challenge at school in order to develop to their full potential.
